A PLACE FOR CARLISLE.

He May Be Made a Justice of the Supreme Court.

WASHINGTON, November 12.—The Post will say to-morrow that Secretary Carlisle may be appointed to the Supreme Court bench to succeed the late Justice Jackson. The Post says that some time ago the President had practically fixed upon Judge Peckham of New York for the place. It then continues:

"All these plans, however, are said to have been changed by the recent elections. Had Kentucky elected a Democratic Legislature it was confidently expected that Mr. Carlisle would on the 4th of March, 1897, step from the Cabinet into the Senate. This anticipation cannot now be realized. The political revolution in Kentucky has also materially affected Mr. Carlisle's chances for the Presidential nomination, as well as greatly reduced the advisability of being a candidate with the odds so largely against the Democrats. Under these circumstances, the political future has little attraction for Mr. Carlisle, besides which his tastes and desires lead him naturally to a judicial position."

ANOTHER LIFE SENTENCE.

ALBERT LUCAS PLEADS GUILTY TO THREE INDICTMENTS.

Portuguese Newspaper Men on Trial For Libel—Matters at Circuit Court Chambers.

Judge Magoon is hearing the libel case against J. M. Vivas and J. M. Teixeira, being tried by the following jury: G. W. Farr, Thos. Wright, W. L. Howard, J. M. Tracy, J. C. Clukey, E. H. Wodehouse, C. J. Campbell, E. W. Jordan, J. E. Westbrook, F. S. Lyman, Jr., J. W. Robertson and M. N. Kennedy. Neumann for prosecution; Kinney and Davis for defendants.

At the opening of Court this afternoon Deputy Attorney-General Carter presented three indictments for embezzlement against Albert Lucas, charging him with embezzling amounts aggregating about \$6000 from the Government of the Republic. Defendant pleaded guilty to each indictment, and Judge Magoon suspended sentence until Saturday morning at 10 o'clock.

J. M. Horner has taken exceptions to the decision of Judge Whiting, overruling his demurrer to the complaint of J. A. Low.

Judge Whiting has sustained the decision of the District Court, that it has no jurisdiction in the case of Ye Hop Wai vs. Yen Hing, as the parties are tenants in common and their dispute involves the title to real estate. Robertson for plaintiff, Humphreys for defendant.

Jos-ph G. Henrique has brought a bill for specific performance against James Robert Paris, a minor, Mary C. Paris, and J. D. Paris, Jr., administrators of the estate of J. D. Paris, Sr., deceased, to compel defendants to sell a piece of land, in terms of a certain lease, to the plaintiff, who deposits \$450 in court as the price.

Judge Whiting yesterday heard the damage case of Andrew McCabe vs. Ah Leong, which was tried by the following mixed jury: M. Kellian, G. W. Farr, C. P. Kanakani, J. E. Westbrook, A. Record, A. Harrison, C. L. Hopkins, Jas. McInerney, Jas. L. Holt, Jr., E. W. Jordan, E. A. Jones, F. S. Lyman. Plaintiff claims \$1000 from defendant as damages for unlawful prosecution on a charge of malicious injury in destroying a few bunches of bananas. McCabe and two others were sanitary inspectors in the late epidemic, and it was on one of their visits to the Chinaman's house that the bananas were destroyed. Kinney for plaintiff; Robertson for defendant. Verdict for plaintiff with damages of \$50.

The Call says the true explanation of the collapse is that as the Democrats had to carry Cleveland they could not possibly carry anything else.
